

Canada Google Doodle

Your Task:

Find an individual, group or event from the History of Canada, and create a Google Doodle to celebrate that person, place or thing.

Things you will need:

The date of the person's birthday, or the date the event happened.

A rough and final copy of your Google Doodle (it should include colour, and can be done on a computer, using photos etc...)

A 1-3 paragraph summary on how this person or event is important to the History of Canada. See rubric for other details.

A bibliography that gives the sources of your information.

We will send the best submissions to the Google Doodle Team!
